## SCHOOL TEAMS - GRADE 5, GRADE 6, GRADE 7/8

Anyone in the appropriate grade, is welcome to participate in the tryouts for sports at Bedford Park. Information regarding tryouts are announced in the morning, listed in the Blues, and communicated to students through the various coaches. Some activities are very popular and not all students can be placed on a team. Each sport, grade and gender will be assessed to see what works best for the players and the sport. Team lists are posted on the bulletin board near the gym entrance. If you have any questions, please speak to the specific coach for that team. Many of the activities require students to leave Bedford Park and be transported to fields or schools. Please let the coaches know if you can help participate in this role.

## BEDFORD WEAR

Online store will be open until Friday, October 27th at: <https://fmpromotions.ca/teams>, scroll to the Bedford icon & enter the password **bedford2017** to login. Please place one order per child. Clothing will be delivered to school mid November.

## ROBOTICS NEEDS YOU!

Robotics is a terrific and much needed extra curricular event for Grades 6,7,8 but it requires the involvement of parent volunteers. Sadly, without volunteers these programs are not able to be run. Mr. Henneberry is looking for several parent volunteers who have the ability to help students with basic and even complex robotics projects. He is willing to accommodate the schedule to meet parent availability. If you've been building Lego Mindstorms with your kids in the basement, this gig might be right for you! If interested reach out to Mr. Henneberry.

Blues Submissions? Just email Beth Lauer at [selauer70@gmail.com](mailto:selauer70@gmail.com) by 7:30pm Wednesdays please... Thank You!
