HALLOWEEN PARADE

Parents are invited to watch our Halloween Parade! Please gather around the outside of the track at 12:40pm. The inside hallways will be lined with our students and we ask that parents keep the hallways clear. The parade will be led by our kindergarten classes and then older children will follow them outside and sit on the field to watch our grade 8 students perform a "Thriller" dance. In case of rain, parents are asked to stand against the walls in the basement and classes will parade through the basement. The grade 8 students will then perform their dance to smaller groups in the gymnasium.
