SARAH & CLAIRE'S FOOD DRIVE

We have launched a food drive that supports the Daily Bread Food Bank. Bedford Park PS participated in this school challenge last year. The event engages thousands of students to give back to their community while bringing awareness to the issues of hunger in Toronto. Please donate non-perishable food items from September 29th to October 5th. Boxes will be located just outside the school library. **We thank you very much for your generous support of the Food Drive.**

FREEZIE WEDNESDAYS!!

Freezies after school on a Wednesday – WHO KNEW! Don't miss out on the last freezie sale of the "Summer of 2017." It's a short week so why not treat yourself to a cold Jumbo Freezie after school THIS Wednesday! Bring a few loonies and buy one for a friend! All proceeds to go to the Grade 8 Graduation!

MATH PRACTICE AT HOME WITH IXL

For those families who are interested in signing up with IXL (www.ixl.com) for additional grade specific math problems to work on at home, please contact Natasha Ryde (nryde@hotmail.com) by Friday October 20th. The cost is \$12/child for 12 months of access to this website, beginning at the end of October (Please note that this 'class' rate is substantially reduced from their 'family' rate of over \$100/family).

ROBOTICS COMPETITION TEAM

The Grade 6 and Grade 7/8 team has completed this year's tryouts. Thank you to everyone. Starting in the new year, a robotics club will begin which will allow any Grade 5 and 6 student a chance to experience the robotics program. Look for information after Christmas. This year's Robotics theme is Hydro Dynamics.

ROBOTICS NEEDS YOU!

Robotics is a terrific and much needed extra curricular event for Grades 6,7,8 but it requires the involvement of parent volunteers. Sadly, without volunteers these programs are not able to be run. Mr. Henneberry is looking for several parent volunteers who have the ability to help students with basic and even complex robotics projects. He is willing to accommodate the schedule to meet parent availability. If you've been building Lego Mindstorms with your kids in the basement, this gig might be right for you! If interested reach out to Mr. Henneberry.

Blues Submissions? Just email Beth Lauer at selauer70@gmail.com by 7:30pm Wednesdays please... Thank You!
