CASH ONLINE

We implemented the Cash Online payment module a few weeks ago and have posted Scientist in School, items from Parent council and excursions. Once you have signed up it is quite easy to use and you will be able to see what is offered. If an excursion is for a particular grade or class you will receive an email advising you that you have items available for purchase. Your account will keep a record of all purchases and you are always able to reprint a receipt. The teachers & school council will receive a report advising them who has made a purchase of that particular item. If you have not already done so we encourage you to sign-up for cash online at <https://tdsb.schoolcashionline.com>.

NOVEMBER IS INDIGENOUS EDUCATION MONTH

In November, we celebrate Indigenous Education Month at the TDSB. This month provides an opportunity to centre Indigenous perspectives, histories and contemporary realities across the curricula. In classrooms across the city, we focus on treaties, the legacy of residential schools, as well as the achievements and accomplishments of Indigenous peoples in Canada.
