CHESS AT BEDFORD WITH CHESS'N MATH

We're happy to announce that chess lessons will be offered in January. The program will run Wednesday and/or Thursdays (depending on enrolment numbers). Lessons will run for 10 weeks from Jan 17/18th until March 28/29th. Sign up has to be completed before the winter holidays. If you have any questions please contact Sabine at bedfordparkchess@gmail.com. Sign-up here: https://chess-math.org/pdf/toronto/lessons_winter_2018_bedfordpark.pdf

EXTRA-CURRICULAR MUSIC GROUPS BEGIN THIS WEEK

- **Tuesday Lunchtime choir** is open to any students who would like to sing. We will consider splitting into junior and senior if numbers warrant.
- **Tuesday After-School Concert Band** is open to Brass, Woodwind and Percussion players who have begun to read sheet music notation. Usually grade 5, 6, 7, 8 but any younger students who play can see Mr Coady.
- **Wednesday After-School Chamber Strings** is open to strings players (violin, viola, cello, bass) who have begun to read sheet music. Usually grade 5, 6, 7, 8, but younger students can see Mr. Coady if they would like to join.

BEDFORD CHESS TEAM TRYOUTS

Looking to get your chess skills challenged? Tryout for a team position in January as Bedford continues to develop individual skills and team play, while challenging other schools. There are 3 teams: primary grade 1 to 3, Junior grade 4 to 6 and intermediate grade 7 and 8. A team consists of 5 players ranked from 1 to 5, and an alternate for each group. Look for tryouts at lunch. Please note, this has nothing to do with the Chess instruction at Bedford and you do not need to be part of any lessons to tryout for the school teams.

LOST & FOUND - HELP WANTED

Volunteers needed to help return lost labelled items to their owners. Please email Laura Ziliotto at dlziliotto@sympatico.ca if you would like to volunteer for an hour a few times a year. It's fun, worthwhile, and helps keep our Lost & Found table under control.

CASH ONLINE

We implemented the Cash Online payment module a few weeks ago and have posted Scientist in School, items from Parent council and excursions. Once you have signed up it is quite easy to use and you will be able to see what is offered. If an excursion is for a particular grade or class you will receive an email advising you that you have items available for purchase. Your account will keep a record of all purchases and you are always able to reprint a receipt. The teachers & school council will receive a report advising them who has made a purchase of that particular item. If you have not already done so we encourage you to sign-up for cash online at <https://tdsb.schoolcashionline.com>.
