## NBA BASKETBALL CLINIC AT BEDFORD FOR GRADE BOYS AND GIRLS

Students on Friday had an amazing experience with the NBA basketball clinic after school. Students were given the royal treatment with training, snacks, gift bags and lots of talented instructors and meeting John Starks (former New York NBA player). On top of that, Bedford Park received 40 basketballs towards our Physical education program and the opportunity to have the kids help phone program shared with our community. Way to go students.
