SCHOOL TEAMS - GRADE 5, GRADE 6, GRADE 7/8

Anyone in the appropriate grade, is welcome to participate in the tryouts for sports at Bedford Park. Information regarding tryouts are listed in the Blues, and may be communicated to students through the various coaches. Tryouts are one way to determine safety of the students in the activity, teach and assess skills, and build a knowledge of the sport. Some activities are very popular and not all students can be placed on a team. Each sport, grade and gender will be assessed to see what works best for the players and the sport. Team lists are posted on the bulletin board near the gym entrance. If you have any questions, please speak to the specific coach for that team. Many of the activities require students to leave Bedford Park and be transported to fields or schools. Please let the coaches know if you can help participate in this role.
